**Recommended Tools:**

No Tools Needed

**Step 1**

Install the Right Hand Side Shelf first.

Note: The positioning of the slotted top and the shelf plate.

**Step 2**

Stand grid up on one of the narrow edges. The 3 support bars should be on the front of the grid.

**Step 3**

Carefully thread the grid ends through the groves found on the side shelf.

Note: Keep the grid bars tight against the inside of the groves.

**Step 4**

Slide the side shelf tight to the support bar of the grid.

**Step 5**

Carefully flip the grid and support upside down. Install the Left Hand Shelf panel, using the same techniques as above.

**Step 6**

Carefully slip the assembly shelf hooks into the side of the barrel of your Country smoker.
